LOUISVILLE'S LUXURY SURGICAL FACILITY AND MEDI-SPA Has Haas MD – voted the No. 1 Plastic Surgeon in Louisville

Dr. Thomas Haas has always been at the leading edge of enhancing personal image but now he has been recognized as the No. 1 Plastic Surgeon in Louisville. Leo Weekly's highly sought after Readers Choice Awards were published last week and Dr. Thomas J Haas won every relevant category:

Best Plastic Surgeon: Breasts
Best Plastic Surgeon: Face
Best Liposuction Doctor

The Doctor's practice is IMAAGE® and is the area's only JCAHO (Joint Commission on Accreditation of Healthcare Organizations) surgical suite. All of the procedures are performed on-site offering patients privacy and a luxurious environment. The experience is a discreet and personal one. Patients love the fact that they don't have to go to a crowded hospital or surgery center for their procedures. But it isn't just the facilities that propelled Tom Haas MD to the No. 1 spot – it is of course his experience, his talent, his education in the latest procedures and his ability to listen to What Women Want.

His state-of-the-art surgical center and medical spa also showcases the latest advances in skin care, cosmetic surgery procedures and image enhancement and won 2nd place as Louisville's best Spa.

Dr. Haas is at the fore-front of underlining Louisville as one of the prominent medical communities in the country by providing a unique, luxurious, environment to a successful practice and rivaling Los Angeles as the place to go for cosmetic enhancement. This is the underlining reason Thomas J Haas MD was voted No. 1

Dr. Thomas Haas founded IMAAGE® as his Private Practice in 1992 after he successfully completed years of General Surgery practice in Hospitals in New York, South Carolina and Ohio. He practiced as a Surgery Instructor before undertaking a position as the Plastic and Reconstructive Surgery at the University of Louisville Hospital

Dr Haas graduated the University of California in 1977, graduated the Medical University of South Carolina in 1981 and graduated in 1984 with his Doctorate. He holds licenses as a Fellow American College of Surgeon, American Board of Plastic Surgery (# 4659), in Kentucky, # 27457, Indiana, #01040827, Florida, #56895, South Carolina #12349 and Ohio #56104

Tom Haas, MD is a member of the following: America Medial Association, American Society of Plastic Surgeons, American Board of Plastic Surgery, Kentucky Medical Association and the Jefferson County Medical Associate. The office and Surgery is JCAHO accredited and is based at 7501 New LaGrange Road, Louisville, KY 40222. Tel 866 894 8595
