

Humana Vision plans at a glance

Wellness & savings are in sight

Our Humana Vision Plans focus on providing the best vision care for your employees' and their families' whole person health – along with built in savings.

Choice of providers close to home

Members will find plenty of locations nearby with a choice of more than 135,000 access points nationwide, including independent, retail and online options.

Vision care is healthcare

Our plans encourage proactive healthcare with eye exams that not only help with vision correction, but can sometimes be the first to detect signs of serious health conditions.

Built in savings

Humana Vision plan members save an average of 80% off retail prices with our fixed copays and allowances.

NEW in 2022-2023
